

EU PVSEC 2024

41st European Photovoltaic Solar Energy Conference and Exhibition

Status as of April 2024

| | Sunday 22 Sept. | Monday 23 Sept. | Tuesday 24 Sept. | Wednesday 25 Sept. | Thursday 26 September | Friday 27 Sept. | | | |
|----------------|--------------------|--|--|--|---|--|--|--|--|
| 08:30 | PV Academy | EU PVSEC 2024 Opening | Towards Ecosystem Integrated PV Systems | ZSW - Perovskites 09:00 - 10:00 | Solar Resource Handbook Edition 2024 | ZSW - Recycling PV Modules 09:00 - 10:00 | Reliable Integration of PV in EU Grids | | |
| 10:00 Break | | | | Women in PV | Roundtable Discussion | Roundtable-BIPV Opportunities in the Indian Marketplace | Company Presentations | The New European R&I framework for PV: Presenting the Co-Programmed Partnership for Photovoltaics | |
| 10:30 | | | | | | | | | |
| 12:15 Lunch | | | | | | | | | |
| 13:30 | | Industry Summit Opening | Empowering PV Integration in the Built Environment: Advancing R&I Actions Towards 2030 | How Industry Expansion, Evolving Prices and Local Policies are Driving the Global Market | Company Presentations | A New Era in PV Development in Desert Environments: Challenges and Solutions | I-V Testing and Power Rating Methods for Metastable PV Devices and the Need for Standardised Measurement Protocols | Closing Session | |
| 15:00 Break | | | | | | | | | |
| 15:15 | | Ecodesign and Energy Label for PV Products: Present and Future | Industry Summit | Solar 24/7 – How Innovation can Support an Electrified Energy System based on Renewables | Floating Photovoltaic Power Plants | Company Presentations | Thin-Film Paving the Way for Next Generation Solar Technology and the Just Energy Transition | Roundtable discussion | Cross-Climate Reliability Assurance: PV Lab Testing Meets the Real World |
| 16:45 Break | | | | | | | | | |
| 17:00 | | Unveiling the Future of Solar Energy with Perovskite PV | Industry Summit | Inverters – The Brain of the Solar System, Supporting the Energy System of the Future | The Landscape of Agrivoltaics: In Between People and Technology | Exhibition Booth Party | Manufacturing Innovative PV Technology in the EU - Chances and Challenges | Perovskite Network Event: Current Experiences in Characterisation and Indoor/Outdoor Testing of Varied Perovskite Cells and Mini-modules | |
| 18:30 | | | | | | | | | |

Parallel Events / Session

Industry Summit
