

EU PVSEC 2024

41st European Photovoltaic Solar Energy Conference and Exhibition

Status as of August 2024

Parallel Events & Industry Summit Outline of the Week

	Sunday 22 Sept.	Monday 23 Sept.	Tuesday 24 Sept.	Wednesday 25 Sept.	Thursday 26 Sept.	Friday 27 Sept.
08:30	PV Academy	↓ Audit F (main) EU PVSEC 2024 Opening	↓ Audit. Room 1.61 Towards Ecosystem Integrated PV Systems	↓ Audit. Room 1.61 Solar Resource Handbook Edition 2024	↓ Audit. Room 1.61 Reliable Integration of PV in EU Grids	08:30
10:00			↓ Exhibition Forum ZSW - Perovskite Solar Cells: A Game Changer in PV Technology? 09:00 - 10:00	↓ Exhibition Forum ZSW - Reuse, repair.... Is there a second life for PV Modules? 09:00 - 10:00		10:00
Break						Break
10:30			Women in PV	Roundtable-BIPV Opportunities in the Indian Marketplace	Company Presentations	10:30
12:15					Co-shaping the European PV R&I priorities: A basis for the new Co-programmed Partnership	12:00
Lunch		↓ Audit. Room 1.86 Industry Summit Opening	↓ Audit. Room 1.86 Empowering PV Integration in the Built Environment: Advancing R&I Actions Towards 2030	↓ Audit. Room 1.61 A New Era in PV Development in Desert Environments: Challenges and Solutions	↓ Audit. Room 1.61 I-V Testing and Power Rating Methods for Metastable PV Devices and the Need for Standardised Measurement Protocols	↓ Audit F (main) Closing Session
13:30			↓ Audit. Room 1.61 How Industry Expansion, Evolving Prices and Local Policies are Driving the Global Market	↓ Exhibition Forum Company Presentations		13:30
15:00		↓ Audit. Room 1.61 Ecodesign and Energy Label for PV Products: Present and Future	Solar 24/7 – How Innovation can Support an Electrified Energy System based on Renewables	Thin-Film Paving the Way for Next Generation Solar Technology and the Just Energy Transition	Roundtable discussion	13:45
Break			Floating Photovoltaic Power Plants		Cross-Climate Reliability Assurance: PV Lab Testing Meets the Real World	Break
15:15		Industry Summit	Company Presentations			15:15
16:45			Inverters – The Brain of the Solar System, Supporting the Energy System of the Future	Manufacturing Innovative PV Technology in the EU - Chances and Challenges	Perovskite Network Event: Current Experiences in Characterisation and Indoor/Outdoor Testing of Varied Perovskite Cells and Mini-modules	16:45
Break			The Landscape of Agrivoltaics: In Between People and Technology			Break
17:00		Unveiling the Future of Solar Energy with Perovskite PV	Exhibition Booth Party			17:00
18:30		Industry Summit				18:30

Parallel Events / Session

Industry Summit
