Stefan Baumeister
Managing Director Germany
Co-Executive Director Foundation myclimate

**Confirmation number:** 20239847

myclimate Deutschland gGmbH is registered under German Federal Law as a non-profit, tax exempt foundation that promotes climate protection.

CO$_2$e = CO$_2$ equivalent: The CO$_2$ equivalent indicates how much a fixed amount of a greenhouse gas, e.g. CO$_2$, methane or nitrous oxide, contributes to the greenhouse effect. The unit of comparison is CO$_2$.
