Participants attending either workshop shall receive a certificate of attendance issued by WIP.

The organiser reserves the right to cancel one or both workshops if the minimum number of participants is not reached or for important organisational reasons. In such cases, participants will be informed by 28 August 2026, and participation fees paid will be refunded in full. No claims for compensation can be made against the organiser for damages, including travel or accommodation costs.

Eternal Sun | WAVELABS Site Visit

In the framework of the EU PVSEC 2026, we are pleased to invite you to a special event on Tuesday 15th September from 19:00 to 22:00 at Eternal Sun | WAVELABS in The Hague.

This unique event brings together the worlds of solar innovation, high-performance engineering, and industry networking. Discover the story behind the iconic Nuna Solar Car, explore state-of-the-art PV testing and characterization technologies from Eternal Sun | WAVELABS, and get a behind-the-scenes look at how the next generation of solar technologies is being developed and validated.

Guests will enjoy guided technology tours, live demonstrations, and the opportunity to connect with fellow researchers, industry leaders, and solar professionals in a relaxed setting with food, drinks, and networking.

Participation is free for all registered EU PVSEC attendees. Transportation from the conference venue to Eternal Sun and back is included. Kindly, note that we have to share the email addresses of registered attendees for the Eternal Sun | WAVELABS Site Visit. You can read their privacy policy here [Privacy Policy - Eternalsun](#)

BIPV & Architecture Walking Tour of Rotterdam by TNO and MASS-IPV

In the framework of the EU PVSEC 2026, we are pleased to invite you to a special event on Tuesday 15th September from 18:30 to 21:00 – a walking tour, sponsored by TNO and developed in collaboration with MASS-IPV.

Participation is free for all registered EU PVSEC attendees. To take part in the tour an EU PVSEC Conference Ticket is mandatory. It starts at the Conference Centre and ends at Rotterdam Central Station.

During this 2.5 hour **leisurely** walking tour you will learn about the unique architecture of Rotterdam – the largest harbour city in Europe. We will visit iconic buildings and three (3) BIPV flagship buildings. You will hear first-hand from the BIPV companies expert's journey of architecture and integrated PV. Rest assured, we have also planned halfway a culinary visit to the Markthal, where you can enjoy a variety of delicious foods. Kindly note that food at the Markthal is **not included**, so you will need to purchase your own.

The tour has a capacity of 40 people in total (2 groups, 20 people per group).

Press Registration

Journalists, editors, and other accredited press representatives holding a valid press identification card are eligible for complimentary press registration at the EU PVSEC. To obtain press registration, applicants must provide a photo of their valid press card during the registration process by contacting press@wip-munich.de.

Presenter Registration Requirement

Presenters whose abstracts or papers have been accepted for presentation at the EU PVSEC 2026 are required to complete their conference registration and full payment no later than 1 August 2026. Failure to register and pay the applicable registration fee by this deadline may result in the withdrawal of the presentation from the Conference Programme. In such cases, the Conference organiser reserves the right to reassign the presentation slot or session to another contribution without further notice. The submission and acceptance of an abstract or paper do not replace the obligation to register for the Conference.

General Registration Conditions

- To enable queries, do not forget to provide your phone number and your e-mail address.
- To complete the registration process, the receipt of both the online registration and the payment is imperative!
- Registration fees are based on the date of receipt of payment.
- The prices indicated are valid per person and are applicable only if both the online registration and the payment are received by the below mentioned deadlines (payment conditions). Otherwise, the higher registration fees will apply.
- We strongly recommend registering as early as possible to benefit from lower registration fees.

EU PVSEC 2026

Privacy Policy

We and our cooperation partners process and use personal data only to the extent necessary for the establishment, content organisation or change of the legal relationship (data inventory). These actions are taken on the basis of Art. 6 Sect. 1 lit. b GDPR, which permits the processing of data for the fulfilment of a contract or pre-contractual actions. We collect, process and use personal data only to the extent that this is necessary to make it possible for users to utilise the services and to bill for them. In addition, we may process participants' contact details (name, email address, organisation) in order to **inform them about future editions of the EU PVSEC, related events, and relevant activities of the organiser**, based on our legitimate interest in accordance with Art. 6 Sect. 1 lit. f GDPR.

Participants may object to such use of their data for communication purposes at any time by contacting pv.conference@wip-munich.de or via the unsubscribe option included in each communication.

For further information please visit <https://www.eupvsec.org/index.php/gdpr-privacypolicy>.

Disclaimer

The Conference organiser cannot be held responsible for any loss, injury or damage to any property, whatever the cause may be. Liability of persons and enterprises providing means of transportation or other services, however, remains unaffected. Should, for any reason outside the organisers' control (e.g. political or economic circumstances or in the case of a 'force majeure') the venue or speakers change, or the event be cancelled, the organisers will endeavour to re-schedule, but shall not be held responsible for any costs, damages or expenses incurred by registrants.

Hereby, the customer gives the Conference organiser the permission to publish any picture/video taken during the event. By taking part in this event, you grant the Conference organisers full rights to use the images resulting from the photography/video filming. These images/videos could be broadcasted in the Conference organiser's different digital channels but always with informative aims, never for commercial purposes. Only written arrangements are binding. Sole legal venue is Munich, Germany. Registration of a participant entails acceptance of these conditions.

This processing is carried out in accordance with the applicable data protection regulations.

Status as of 24 July 2026
