SHAPING TOGETHER THE FUTURE OF THE PV SECTOR

The EU PVSEC 2026 will be held in the vibrant city of Rotterdam, The Netherlands, from 14–16 September at the World Trade Centre (WTC).

At the EU PVSEC 2026, we are bringing together the entire PV value chain, uniting industry experts, pioneers, and decision-makers from the solar PV sector.

We invite you to join us in fostering a resilient global PV supply chain together!

WHY JOIN US?

EXPOSURE

Gain more visibility in a leading business-to-business PV exhibition and promote your company and your services to a highly trained audience of international experts.

POSITIONING

With over 600 companies attending the event, get in touch with decision-makers of all PV value chain to strengthen your position as a business partner.

LEADS

Grow your sales pipeline and increase the number of potential customers and look for new investors with the insights you gain at the EU PVSEC.

LIAISON

Build relationships and strengthen your position as the leading partner of choice for businesses deploying next-generation technologies.

LOCATION

Rotterdam is a vibrant, forward-looking city and a frontrunner in renewable energies. With its ambitious climate goals, innovative energy projects, and world-class research institutions, the city embodies the spirit of transformation that drives the global solar community. Its central location in Europe makes it an ideal hub for bringing together experts, policymakers, researchers, and industry leaders from across the world.
